**Box Amendment**

November 19, 2001

Commissioner for Patents  
Washington, D.C. 20231

Sir:

The following amendments and remarks are respectfully submitted in response to the Office Action dated June 19, 2001.

IN THE SPECIFICATION:

Please amend the specification as follows:

*[Handwritten mark: a vertical line with a diagonal line through it, indicating a cancellation or strike-through.]*  
Please amend the first and second full paragraphs on page 1 as follows:

*[Handwritten mark: an 'X' with a diagonal line through it, indicating a cancellation or strike-through.]*  
The present invention relates to an automatic software generating system, and in particular, to a software generating system for automatically generating software from an object-oriented specification which features an improved code efficiency.
